RE: PREPARATION OF THE COMMISSION'S NINTH PROGRAMME OF THE LAW REFORM CONSULTATION OF POSSIBLE REFORMS PROJECTS

Reference is made to the above subject matter.

The Law Reform Commission of Tanzania acknowledges with thanks the receipt of your letter dated 22nd May, 2014 with ref. number A/6/9/12.

The Commission appreciates efforts taken to develop the program and the involvement of other law reform agencies (such as ours) to suggest topics or areas of the law which might be suitable for inclusion in your Ninth Programme.

At the moment the Commission has found it difficult to suggest areas of reforms which might relate to current challenges and realities facing your society in view of the different socio-economic framework of our countries. However, once the Commission identifies any area of law reform we will communicate with you.

We are looking forward to our continued good cooperation.

Sincerely,

A handwritten signature in blue ink, appearing to read 'Winfrida B. Korosso'.
